

# MAJOR ACCOMPLISHMENTS OF THE BIDEN ADMINISTRATION 2021-2024

## AMERICAN RESCUE PLAN

- Provided funding to support workers, families, businesses, and communities during the Covid-19 pandemic.
- Expanded food assistance programs, child care programs, and invested in mental health and health care centers

## INFRASTRUCTURE BILL

- Provided funding to repair roads, waterways, bridges, railroads, improve public transit and airports, invest in electric vehicles and low emission public transit
- Brought high-speed internet to rural communities and clean water to communities

## INFLATION REDUCTION ACT

- Lowered the cost of health insurance plans and prescription drugs
- Prevented millions of Americans from losing their Affordable Care Act insurance
- Required Medicare to negotiate the cost of 10 high-cost prescription drugs

## CHIPS AND SCIENCE ACT

- Provided funding to produce semiconductor chips for automobiles, cellphones, laptops, gaming consoles, washing machines, and other devices
- Invested in the United States rather than relying on China for this critical technology

## CLEAN ENERGY INITIATIVE

- Provided \$369 million to reduce greenhouse emissions by 40% in the next seven years
- Promoted clean energy technologies to move our country to greater self-sufficiency in energy production

## LOWER UNEMPLOYMENT RATE & MORE JOBS

- Reduced the unemployment rate to a low of 3.5%, matching the lowest rate before the pandemic (present rate is 3.8%)
- Added 13.2 million jobs, replacing all jobs that were lost during the pandemic
